EAT • SLEEP • BEACH

# WELCOME

The Gallivant is a restaurant with rooms a hop and a skip away from one of the most extraordinary sandy beaches on the South Coast.

We have a passion for serving fabulous, locally sourced food in a relaxed coastal environment and treating our guests like they were guests in our own home.

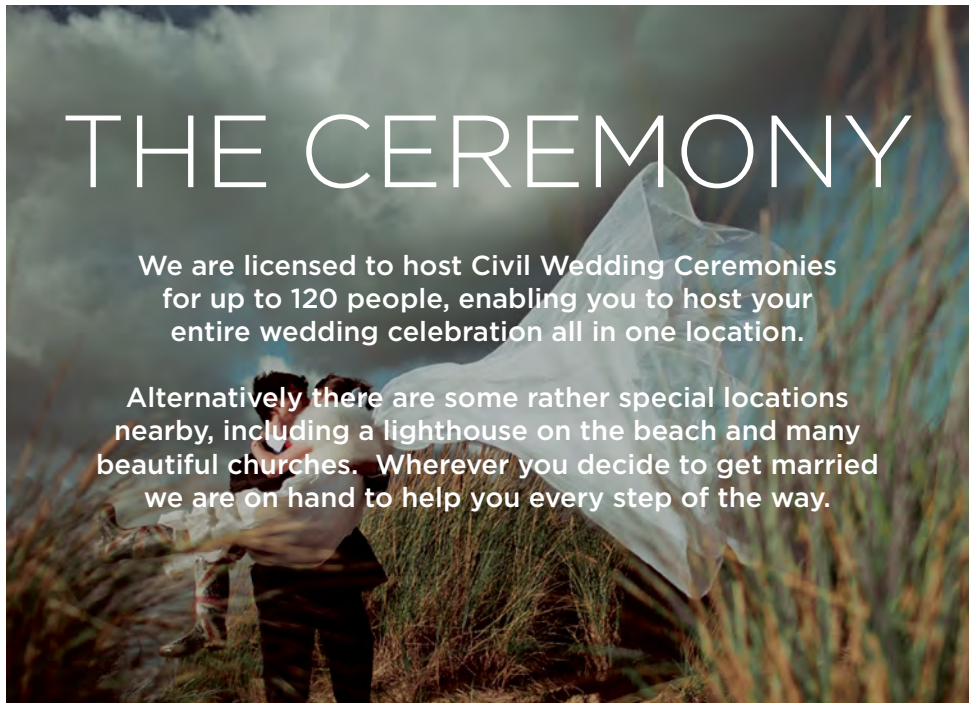

Whether you are looking for a marriage ceremony, a renewal of vows or a committal ceremony, sand between your toes on the beach, we are the perfect venue to celebrate your special occasion.

# THE CEREMONY

We are licensed to host Civil Wedding Ceremonies for up to 120 people, enabling you to host your entire wedding celebration all in one location.

Alternatively there are some rather special locations nearby, including a lighthouse on the beach and many beautiful churches. Wherever you decide to get married we are on hand to help you every step of the way.

COASTAL  
WEDDINGS

# THE RECEPTION

Celebrations normally begin with a reception in the dunes overlooking our magnificent golden sandy beach. The chance to walk barefoot on soft sand, mingling with loved ones whilst enjoying delicious canapés and drinks.

The wedding feast is served in the Beach Hut Marquee on bespoke driftwood tables, decorated with shells, lanterns and beach bunting.

Fabulous food is brought to the centre of the table on large serving boards for your guests to share and enjoy at their own speed.

# EATING WITH US

Our food philosophy is simple, to only cook with local ingredients that are hours fresh, 95% of which either live or grow within 15 miles of us.

In 2015 we were awarded 'Three Star Sustainability Champion' status by the SRA, their highest award. In 2014 the restaurant was included in Square Meals Top 100 UK restaurants and The Sunday Times Top 100 UK Hotels list.

# WEDDINGS

We host weddings all the year round for parties from 10 to 120 guests.

In the warmer months weddings tend to use more of the beach when the weather is more predictable. At this time of the year all our weddings are on an exclusive basis where an additional charge is levied.

From October to May we can accommodate smaller, more

intimate weddings which aren't on an exclusive basis so no additional charges are levied. These are extremely well priced.

Whatever the size of your wedding or date you can be assured you will eat some of the best food you can imagine, in a relaxing environment, looked after by a team of people that really care.
