Just got back from our fairytale Bled wedding and mini-moon in Slovenia so wanted to say thank you for all your help with my dress and making my dress even more beautiful than it was anyway, everyone admired it and received so many positive comments. Thank you and sending some photos of the dress and our beautiful day in magical Bled!

Thank you Nikki, you worked tirelessly from start to finish in making my bridesmaid dresses come to life, the colours were amazing! Even when faced with a last minute alteration and I mean last minute. you were calm and professional and I never had a doubt that you would make it happen! I love my Coral dress it was like a big hug wrapping itself around me. It made me feel warm inside and most importantly beautiful! The embroidery of my late father's initials you did on it was perfect and really helped me express everything I felt on the day! You made my day extra special and I can't thank you enough for all your hard work! You truly are a very talented lady.
