Join Us about CRH

WELCOME ...

The Cheltenham Regency Hotel is situated 2 miles from the beautiful Cheltenham town and only a short distance from the M5 motorway.

The Cheltenham Regency Hotel has just completed a substantial refurbishment; this elegant hotel now offers 47 en-suite bedrooms, including suites, executive and family rooms. Each air-conditioned room boasts designer oak furniture, flat-screen TVs with DVD players and a marble private bathroom.

We have a bar and restaurant that offers high quality food from our menu. Restaurant closed on Sundays.

TO EXPLORE... TO ENJOY

Less than two miles from the historic town of Cheltenham we are on the fringe of the Cotswold's. Popular with both the English themselves and visitors from all over the world, the Cotswold's are well-known for gentle hillsides ('wolds'), sleepy villages and for being so 'typically English'.

The chic continental atmosphere of Cheltenham's tree lined avenues, colourful gardens and pavement cafes, is the perfect setting for some retail indulgence! For a town so small Cheltenham boasts several very different shopping areas each with their own individual character; the Promenade, the High Street, Montpellier, and the Suffolks.

Also home to the internationally renowned race course, plus arts and literature festivals the town provides infinite entertainment opportunities. There are many other attractive places to visit in the area; Gloucester Cathedral, Tewkesbury Abbey, Gloucester Docks, Westonbirt Arboretum and Slim bridge Wildfowl Trust.

TO STAY... TO RELAX

The elegant Cheltenham Regency Hotel is conveniently located only a few miles from the centre of Regency Cheltenham, yet only minutes from the motorway network. With several function rooms, the hotel is ideal for your business meetings.

The hotel bar and restaurant offers a superb selection of menus from a simple bar snack to an excellent a la carte menu. We also have a large function room which holds up to 180 people for any occasion.

With ample free parking and a dedicated team of friendly, experienced and enthusiastic staff, The Cheltenham Regency Hotel offers a stress free environment for all your requirements.

TO WINE... TO DINE

Our bar and Regency Restaurant are open daily to both residents and non-residents. They offer a perfect environment for informal meals, light snacks, afternoon tea, evening dinner or a special celebration, all under the guidance of our head chef and his skilled team.

We only use the finest ingredients and serve fresh, home cooked food which you can select from our a la carte or bar menu. We also hold regular events where bespoke menus are designed.

An extensive and varied wine menu is available to accompany your meal or to enjoy on its own.
