

## STON EASTON PARK

Hotel, Restaurant and Gardens

*The perfect venue for your wedding day*

Ston Easton Park, built in 1739, is a grade 1 listed Palladian mansion of great distinction. Located 11 miles south west of Bath and 12 miles south of the centre of Bristol, the house contains some of the most exceptional architectural and decorative features of its period to be found in the West of England. All 23 bedrooms are lavishly furnished with fine fabrics and antiques. Indeed, some of our bedrooms even have original Chippendale four poster beds. The house itself is surrounded by 36 acres of romantic gardens and parklands, created by the renowned landscape architect Humphry Repton in the 18th Century.

We are licensed to hold civil ceremonies for between two and 100 people, in six rooms throughout the house. For the wedding breakfast, we can cater for up to 80 people in the Saloon with a further 20 guests dining in adjoining rooms. However should you require all guests to dine together, why not position a marquee in the grounds where we can cater for up to 150 guests.

Ston Easton Park holds the culinary crown when it comes to serving award-winning cuisine in the most exquisite surroundings. Our Head Chef is passionate about developing menus that use fresh, locally-sourced ingredients; working with local suppliers and even sourcing almost 60% of the fresh produce used in the menus from the hotel's Victorian kitchen gardens.
