

LAUREL WEDDINGS

WEDDING FLOWERS AND VENUE DRESSING

From the bridal bouquet and buttonholes, through to the ceremony and reception decorations Laurel Weddings can create unique designs to reflect your individual style and provide the perfect accessories and decorations for your special day. Whether you are looking to create a relaxed country garden feel, vintage glamour, a romantic fairytale or modern elegance, I can advise you every step of the way.

The design process starts firstly by discussing your ideas, colour scheme, the different items you need and flower varieties you may like incorporating into the designs. This can be done via email or we can arrange a consultation at the studio where there are sample bouquets and arrangements on display as well as lots of photo albums and magazines to look through. Please don't worry if you are unsure about flower varieties or what type of arrangements will suit your style and venue, I will go through various options with you and the types of flowers that will work well.

KIND WORDS FROM PAST CLIENTS

"James and I would just like to say a big THANK YOU for the most beautiful flowers ever. They fit perfectly with our wedding and us to help create the most special day ever."

"The flowers were totally amazingly perfect!! You worked such wonders. SO BEAUTIFUL!! We were so thrilled, thank you so so much. Perfect mix of colours and textures."

"Laura was absolutely brilliant from discussing ideas right through to delivery on the day. She understood the theme and colour palette we had and was very good at suggesting what flowers to use for our bouquets and room dressing. All the flowers exceeded my expectations and we had many compliments"

FAQ

Is it possible to discuss our requirements over email initially before we arrange a consultation?

Yes, that's not a problem at all. I am happy to email a quote to you and then a consultation can always be arranged at a later date to discuss ideas further.

Do I need to pay a deposit to confirm the booking and how much is it?

To confirm the order and secure our services for your wedding date we require a booking fee of 25% of the estimated total of your order.

When do I need to pay the balance payment?

The balance payment needs to be paid 4 weeks before your wedding date.

Will there be a delivery and setup charge?

Yes. The delivery and setup charge will be calculated based on how far we need to travel and the amount of time involved in the setup. The charge for this will be clearly stated on your quote.

How far in advance do we need to book?

The sooner you get in touch the better really, we often have bookings being made 1-2 years in advance, particularly for key dates over the summer and autumn.
