## welcome to the hoste

---

Acclaimed hotel, restaurant and bar The Hoste is located in one of Norfolk's most picturesque villages, Burnham Market. Popular with those wanting an intimate country chic celebration, The Hoste is renowned for service excellence and award winning dining and 62 beautiful bedrooms.

The Hoste features the stunning Garden Room with its own bar, which opens onto a walled garden and accommodates celebrations of up to 200 guests. Decorated in tranquil blues, greens and greys to reflect its garden location and proximity to the coast, the Garden Room offers a uniquely elegant and flexible space. There are smaller rooms that are perfect for more intimate wedding days.

The Hoste is comprised of six individual properties, all of which are situated in the village. The original boutique hotel, The Hoste, sits within an historic building dating back to the 16th century, overlooking the village green. The Hoste offers guests thirty seven individually designed bedrooms, two acclaimed restaurants serving modern British food, a traditional panelled bar and Beauty Spa.

Just across the green is the Georgian splendour of Vine House with a further eight luxurious en-suite rooms and a pretty wisteria-clad walled garden. Nestled on the edge of the village is Railway House, a former Station Master's house that is now home to seven stylish rooms and a refurbished railway carriage, a unique, vintage-style, romantic hideaway that is perfect for couples. Three luxurious three-bedroomed cottages complete The Hoste's portfolio, ideal for accommodating wedding guests as a group.
