Our Wedding Suite

Round or long tables are just one of the many choices available when selecting the setting for your wedding. With its own entrance, private bar and fully air conditioned, our Waterwheel Suite is a popular choice. Named for homing the original Waterwheel, which is a stunning backdrop to complement your wedding ceremony or breakfast. The Suite can accommodate up to 80 dining guests, then combined with the lounge up to 180 evening guests to party the night away.

Our Garden Room really brings the outside inside by overlooking our impressive landscaped gardens. A popular choice for the more intimate wedding and can accommodate up to 58 guests for a wedding ceremony or breakfast.

You are everything to me.”*
