

High Barn

Whether you are looking for a cosy, intimate affair with just your nearest and dearest or a show-stopping, extravagant wedding day, High Barn is the perfect choice.

Comfortably seating up to 150 guests, the beautiful rustic interior can be transformed to compliment any theme. Create a relaxing summer festival feel or even a magical winter wonderland inside its timber framed walls; we encourage customers to really make the space their own. Please ask us for more information on our marquee options.

At High Barn we believe that every wedding is different, therefore we do not offer 'wedding packages', instead we create a bespoke event tailored to the bride and groom's own tastes and preferences.

Venue hire price is inclusive of VAT, Tables & Chairs.

2016: £2,500.00

2017: £3,250.00

You can also have your ceremony at High Barn, please ask us for more information.

CATERING & DRINKS

*"One cannot think well,
love well,
sleep well,
until one has dined well."*

Virginia Woolf

All of our food at High Barn is created and produced on site by our Executive Head Chef and his brigade of Chefs.

We can provide you with some of our sample menus that our Executive Head Chef has put together, but these are all flexible and our talented Head Chef is happy to create something completely bespoke. Should you have something in mind, please just let us know.

We have a fully licensed Bar which can be used on either a cash or account basis, as well as extensive and bespoke drinks package options for throughout the day.
