## Weddings at Abbeydale Industrial Hamlet

**ABBEYDALE  
INDUSTRIAL  
HAMLET**

**SHEFFIELD  
INDUSTRIAL  
MUSEUMS TRUST**

**Let the romance of this historic 18th century hamlet charm and inspire your special day.**

Set on the banks of the River Sheaf and tranquil Abbeydale Dam, original stone buildings, waterwheels and grindstones are reminiscent of the hamlet's industrial past as an 18th century scythe and steelworks with workshops, cottage and Victorian garden.

## Beautiful locations ...

We offer civil wedding and civil partnership ceremony packages for up to 80 people in three unique locations.

Choose an intimate ceremony 'over the anvil' at the **Tilt Hammers** (capacity 10) or under the romantic covering of the **Undercroft** (capacity 30) with its historic courtyard backdrop.

The **Learning Centre** (capacity 80) offers a contemporary space yet its exposed oak beams and stonework compliment this enchanting heritage site.

Our specialist caterers Little Mesters Sheffield ([www.littlemesterssheffield.com](http://www.littlemesterssheffield.com)) can provide your guests with a delicious range of canapés or a traditional English Tea accompanied with non-alcoholic refreshments whilst exploring the hamlet.\*

\* As a group of Grade I and Grade II\* listed buildings and an Ancient Scheduled Monument there is a historic covenant which prohibits alcohol on site therefore we are unable to host reception parties.
