Buckerell Lodge Hotel

Congratulations - you are getting married

At Buckerell Lodge we understand that your Wedding Day will be one of the most important days of your life, which is why we take pride in making sure that this very special day will be everything you could possibly wish for and more.

The Buckerell Lodge Hotel has the charm of a countryside manor house, with a city location, creating the perfect setting for your wedding venue in Exeter. Add to this our team of experienced, professional and personal wedding coordinators, and you are on the way to planning the wonderful day you so deserve!

The Ceremony

If you are looking for a civil ceremony or partnership, our Garden Suite is the perfect choice. Set away from the main hotel, with private gardens, you will enjoy a ceremony for up to 70 guests. We can cater for smaller celebrations too and our Fortescue Suite is perfectly placed for an intimate celebration.

If you are looking for a more traditional service in a church or a registry office, we would be delighted to host your wedding breakfast or evening party. Just get in touch with our wedding team for more information or to discuss your personal requirements.

The Food

There is no finer way of celebrating your special day with friends and family than with good food! Each of our wedding packages have a selector menu for you to choose from so that you can ensure everyone has a dish they will love! You will select three choices for your guests to pre-order before the day.

The Drink

Most of our wedding packages will include drinks to enjoy throughout your day – from arrival drinks for you and your guests, to wine and fizz at the table. Just let us know if you have any specific requirements and we will be happy to help tailor make your dream day!

The Accommodation

When you need to rest those dancing feet at the end of the night, we have a choice of two Bridal Suites – both with feature beds and views of our beautiful gardens.

Buckerell Lodge boasts 54 en-suite bedrooms with a selection of single, double and twin rooms. We offer privileged accommodation rates for any of your guests wishing to stay the night. Single rooms are based on one adult. Double or twin rooms are based on two adults sharing. All rates include full English breakfast, service and VAT.
