

# LYDE COURT WEDDINGS

Lyde Court is a rustic barn set in the romantic Herefordshire Countryside. Our barns date back to the 14th century and are part of the Duchy of Cornwall estate. We are located just 2 miles outside of Hereford City Centre but are in an isolated Herefordshire Valley.

The beauty of the 17th century stone barns is enhanced by the solid stone walls, elm beams, vaulted ceilings and arrow slit windows. These features give it the perfect atmospheric ambience for a wedding and reception.

We pride ourselves on our flexibility and our ability to create a relaxed atmosphere during the run up to your wedding. Together we can plan the wedding day to ensure everything is exactly as you want it. We understand that your day should be a reflection of you and your partner and we are here to help you achieve that.

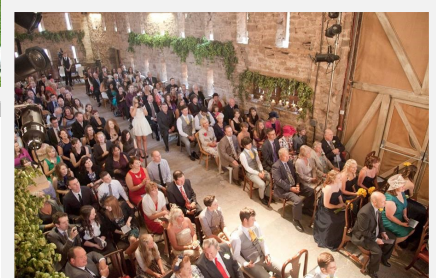

## THE CEREMONY

Lyde Court has a Full Wedding License enabling you to hold your ceremony with us as well as your reception afterwards.

You have the option of using the Great Barn itself or you can get married in the open air within our Rose Garden or on the Willow Lawn.

The cost of hiring the venue for your ceremony is £500 for any area you think suits you best.

# YOUR RECEPTION

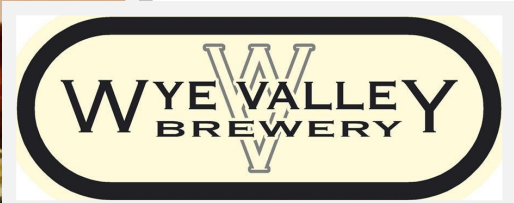

When you book Lyde Court for your Wedding Reception the grounds are available to you and your guests at no extra cost. Also included are all of our tables, chairs, candles and if you wish some floral decoration for the tables. All the heating, lighting and sound equipment is also included at no extra cost.

## Catering at Lyde Court

Herefordshire is renowned for its local produce which we specialise in, from Local Ales to Herefordshire Beef. We pride ourselves on being able to create totally bespoke menus for you designed around your budget and your taste. Not only can we do local food and drink fabulously but our catering teams also do a variety of authentic world foods.

The Great Barn can seat up to 250 dining guests and more still in the evening.

## The Evening Party

There is no better place for a fantastic party. We have a state of the art sound system which is free for you to use for your entertainment. We also have a pool of fantastic musicians which we are more than happy to put you in contact with if you aren't sure of what you want.

We of course have a fully licensed bar run by friendly staff and stocked with the finest of Herefordshire's beers and ciders. Our Alcohol Licence is 2am for Friday and Saturday weddings and midnight for Sunday to Thursday weddings. We also have a 24 hour Alcohol Licence for residents enabling those staying to party all night if you wish!

We have our fire cauldron lit for every wedding so your guests can spill out onto an atmospherically lit lawn in the evening.

## Onsite Accommodation

Camping and dormitory accommodation is available onsite for all of your guests. The dormitories alone can accommodate up to 80 people and this gives you and your guests the opportunity to unwind the next morning over breakfast together.
