Wedding Entertainment Northern Ireland

**Something to consider.....**

## **WEDDING EXPERTS?**

Almost daily it seems, new companies start up, and immediately claim to be 'wedding experts'!

Entertainments Unlimited has booked thousands of weddings over the years, so we could reasonably claim to be experts, but we prefer to say we are just passionate about Entertainment, we live and breathe it!

You have only the one day to get it right, so for your security and peace of mind, deal with the professionals with 50 years of experience, booking and advising some of the best young (and older!) acts in the country!

We can use our experience to guide you towards the entertainment suitable for you, but only you can decide, which brings us to our next point.....

### **IRELAND'S BEST WEDDING BAND?**

Some of our bands have Pensioners playing in them and some of our bands have members just out of school!

With our long history in the business, we know a lot of musicians, but one thing we can't tell you is which is 'IRELAND'S BEST WEDDING BAND'.

So many bands give themselves that title it may seem confusing, or even a bit silly .....but the reason we can't tell you who deserves the title is because for YOUR wedding, the only people who can say which is 'IRELAND'S BEST WEDDING BAND' for YOUR DAY are you and your fiancé.

We CAN say however that we work with some of the finest acts in the land, and are confident you will find one you like on our website.....so have a look.....MAKE YOUR DAY, and take a confident leap into your future together!
