Penryn Town Hall Weddings

Penryn Town Hall

Penryn Town Hall is an approved premise as a venue for marriages under the Marriage Act 1949 and as a venue for Civil Partnerships under the Civil Partnership Act 2004. In addition to this, the Town Hall is licensed for other civil ceremonies such as naming ceremonies and the renewal of Civil marriage vows.

Penryn is one of Cornwall's oldest towns, receiving its first charter in 1236. The beautiful granite Town Hall was originally known as the Market House and is one of the most recognisable landmarks in Penryn. It is thought that some of the stone from the historic ecclesiastical Glasney College was used in its construction. The clock tower was then added in 1839.

We want you to feel relaxed on your special day so our volunteer Councillors will guide you through the process and be there to greet you with a smile. Our venue is perfect for a quiet and small affair or a larger ceremony, seating up to 80 people.

Booking Your Magical Day

We recommend that you confirm availability of the Town Hall and contact the local Registry Office to verify your date and times before making final arrangements.

The cost for the hire of the Town Hall is £360.00 which includes the day prior to the ceremony to allow for setting up and decorating the hall. In order to reserve the date for your ceremony we require a non-returnable deposit of £150.00 with the balance to be paid at least two months prior to the ceremony.

Marriages cannot take place without the attendance of the Superintendent Registrar and with civil partnerships a Civil Partnerships Registrar. It is therefore essential that you ensure the availability of the Registrar before planning your ceremony. A fee is payable to the Registry Office prior to the ceremony. Please see our Useful Contacts page for more information.

We advise you that the Superintendent Registrar can only perform a civil, non religious ceremony and as such all music, readings and photography must be agreed with the Registrar in advance.
