Are you getting married soon?

Wouldn't you prefer a woman's eye to record your wedding? For a natural, informal and friendly style of photography, relax & call Judy Mainwaring at Pictureworks Photography now, to book a no obligation chat about your very important day.

Flexible options to suit every budget.

Just build on this value for money basic package:

This includes a preview slideshow disk, a 26 page 12" square photobook of up to 70 photos of your choice OR a slip-in album of 6"x4" prints of all the photos taken on the day. Coverage is:

- Guests arriving at wedding venue • Groom with best man/ushers • Bride arriving with father • Bride with attendants • During ceremony (if permitted)
- Signing of register • Couple outside doorway • Group picture of everyone
 - Family groups as required, either outside church or at reception venue
 - Photos of bride and groom on their own
- Pictures of laid out reception tables • Posed cake cutting

This package also includes a DVD slideshow of all the photos taken, set to the music you choose, to view on your TV or Computer.

Optional extras and alternatives:

- Pre-wedding informal portrait at a location to suit you
 - The bride getting ready • The groom getting ready
- Speeches after meal & posed first dance • Evening reception/first dance
- High quality digital albums • Reprints & enlargements • Canvas prints
- Further copies of DVD • Extra pages in photobook
