

GOLDEN SOUNDS DISCO

Wedding Disco & Event DJ

Entertaining people since 1992

A professional, reliable, personal service to you

May I congratulate you on your engagement and forthcoming wedding, you must be excited.

I have been providing a professional, bespoke service since 1992.
I have a fantastic selection of popular music to suit all ages.

I am not an agency and I do not sub contract my bookings ,assuring **YOU** of a personal service . All bookings are confirmed in writing for your complete confidence.

Be assured I have full public liability Insurance and all electrical equipment P.A.T tested,
this may be a requirement of your venue.

How to book

Prices: I offer a personal bespoke service. My quote is competitive, but I know that it might not be the cheapest, however, you do get what you pay for in this industry. There are many part time hobby DJ's that will go out and play for less, with cheaper sound and lighting equipment, little or no experience, and not insured or with any electrical safety certificates.

What Others Say

"Pat made the end of our wedding party very special. Men who had not danced for decades were on the dance floor and the feedback from the guests was excellent. Thank you so much for tuning into our wishes and calibrating before and after with us. Hope to see you again soon."

"Pat is an amazing DJ. Our wedding guests were delighted with the music, the selection was great and so was our first dance. Pat is very accomodating, keen on details, professional and super kind and friendly.

We definitely recommend him for any event you have. Great great job."
