# The Perfect Venue for your *Special Day*

"We couldn't have wished for a better venue for our wedding in August this year. Amy helped us plan our wedding just the way we wanted it - relaxed, friendly and informal. We specifically didn't want a 'template' wedding and with the help of Amy, her parents Karen and Gary, and their manager Sam, our day was so special. We really felt that the wedding was ours as they were very accommodating to our requests. The setting is perfect for photographs, both inside and also in the grounds. Having exclusive use of Glewstone Court for the day ensured a relaxed atmosphere for us and our guests. Everyone was so attentive yet we felt that the day was truly ours."

- Mike & Jan Hartley, 22nd August 2015

"Amy, her family and team couldn't have been more accommodating during the run up to and weekend of our wedding. From meeting up for informal chats about the day, helping contact the registrar and making sure I had had breakfast on the morning bringing it to my room, they all really went out of their way to make sure our day went smoothly. The house itself is lovely and we were lucky enough to have beautiful weather which allowed us to sit in the patio area and have photos taken in the gardens which are all beautifully maintained. The food the night before was great and the canapés on the wedding day were complimented on by many of our guests. We couldn't recommend them more highly. We will definitely be back for an anniversary! A massive thanks to everyone who made the day so special! x" - Paula & Mike Blower, 6th August 2016

"Thanks to Amy, Sam, Gary and Karen for our wonderful September wedding. As soon as we visited the venue we knew it's where we would get married. The house and location are both beautiful. We wanted an informal, relaxed, family and friends occasion and that's what we had. Amy is very professional at organising everything down to the fine detail and her team were super friendly, efficient and accommodating. We had exclusive use of the house which made it even more special, so much so that it was quite difficult getting our guest to leave! Oh and the food... so many great compliments. Thanks again Glewstone." - Julie & Steve, 3rd September 2016

"Excellent venue! We had the pleasure of having our wedding here in January. The setting, weather (!), venue, staff, food and rooms were superb! The attention to detail was most definitely noticed, and our guests spoke highly of how warm and relaxing the venue was. We can't wait to visit again for a meal. Highly recommended!!
