ENCHANTING BEAUTY IN THE HEART OF KENT

Mount Ephraim offers a unique, classically romantic venue for your wedding or civil ceremony. Our beautiful gardens are renowned across the South East, and the manor house offers an Edwardian sense of style and grandeur perfect for a wedding celebration. From the views of the estate on the front lawn, to the elegant sweeping staircase leading into the main hall where we often host receptions and ceremonies, we can offer you a memorable experience to make the big day extra special.

We're very flexible – if you're looking for a traditional affair, there's no better romantic setting. Or if you're looking to explore arrangements a little more left-field we can accommodate you. We also offer a spectacular Sir Edwyn Suite so you can wake up to the stunning views and setting, and enjoy breakfast in the manor house.

“ We just would like to say a big thank you to you and your team for a brilliant wedding reception at Mount Ephraim. We had a perfect day! All the staff were polite, helpful and professional and we cannot imagine a better day. ”

PLANNING THE OCCASION WITHOUT STRESS

We know it's difficult to plan a wedding for the British weather – but with the manor house available as well as the extensive gardens, we're about as weather-proof as you can get and not to mention our 20 years of experience dealing with every type of wedding you can think of, in all imaginable weather conditions.

Don't take our word for it though – come and explore the estate, house and kitchens for yourself. We're sure you'll immediately be able to picture yourself enjoying your special day in the stunning setting of the Mount Ephraim estate.

“ We just wanted to thank you so much for all that you did to make our day so special. Having our 'wedding reception' with you, at Mount Ephraim, was just perfect in every way – even the sun shone! ”

HILARY & DAVID EDRIDGE

CEREMONIES AT MOUNT EPHRAIM IN THE MAIN HALL OR THE GARDENS

If you'd like to do it all at Mount Ephraim, we are licensed to host ceremonies of up to 110 people in the main hall or 150 in the garden. The main hall features an elegant cantilevered staircase leading down onto the floor where the guests will be seated - a guaranteed spectacular entrance.

Alternatively, the gardens offer an enchanting experience and space for many more people if you'd like to enjoy the summer breeze and beautiful views during the reception.

“ Everything was just brilliant from our initial menu tasting, the pre-wedding service and then on the day all the chefs, the bar staff to the servers and everyone else who played a part. The food was brilliant and literally everyone has commented to us how impressed they were with the service and the food itself. ”

RECEPTIONS AT MOUNT EPHRAIM

CELEBRATE IN STYLE

We can host receptions in the historic manor house or on the front lawn, depending on the size of your party and preference.

The front room in the manor house can comfortably accommodate up to 110 people for the reception, and it spills into the main hall which makes a perfect dance floor. In the evening, we can easily welcome 150 guests. Or, if you'd prefer an outside marquee, we usually place them on the front lawn beside the house - a fantastic spot that offers breathtaking views of the estate.

“ We enjoyed a wonderful wedding day – everything about it was perfect. Mount Ephraim certainly played its part in generating an atmosphere to remember. ”
