

The background features two clusters of dotted line patterns. The upper cluster consists of several overlapping, teardrop-shaped leaves arranged in a fan-like pattern. The lower cluster consists of several overlapping, rounded shapes that resemble the petals of a flower, also arranged in a fan-like pattern. Both patterns are composed of small, evenly spaced dots.

**Orangery**

A bride and groom are sitting on a grassy bank next to a lake. The bride is wearing a white wedding dress with a long train and a veil, holding a bouquet of white and yellow flowers. The groom is wearing a blue suit. They are looking at each other and smiling. In the background, there is a lake with reeds and a stone building partially covered in ivy.

the  
ultimate  
setting...

“The Orangery was the most perfect and beautiful venue we could ever have hoped for.”

Lavinia & Steve

The Orangery is the ultimate setting for your special day. Set in the heart of the garden of England, in Kent's county town, Maidstone, the Orangery represents the true and natural beauty of Kent itself. From the moment you step into the grounds the sheer magic will encapsulate your dreams for that perfect day.

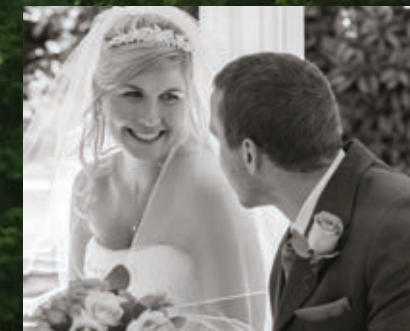

Nestled within nine acres of beautifully landscaped gardens, with a tranquil lake and tumbling waterfall, it is an exclusive-use venue with endless photographic opportunities.

Our commitment to ensuring the smooth running of your day will be evident from the start and we will exceed your expectations with our meticulous attention to detail. You nurture the dream, we compose the reality.

your  
ceremony...

“Our wedding  
day was the most  
amazing day of our  
lives, the venue is  
beautiful and the  
staff were fantastic.”

Kelly & Mike

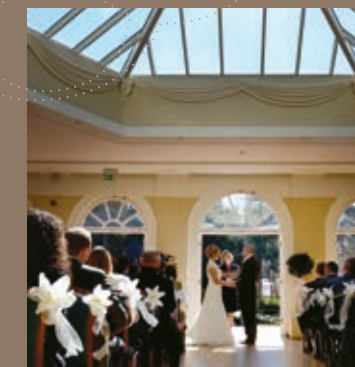

During British Summertime, weather permitting, you have the option of having your ceremony in the beautiful Gazebo, which is nestled within the immaculately landscaped gardens. The Gazebo provides an unforgettable setting for you to exchange those all important vows.

The magnificent Garden Room is an all year round stunning location for your civil ceremony. Five double doors span the front façade providing guests with a perfect view of the beautiful Mill Barn Garden and, more importantly, of the bridal party as they make their momentous entrance across the bridge. The stunning roof lantern ensures that the room is always light and adds to the effect of the gardens reaching into the covered space.

An inside and outside sound system enables you to share your carefully chosen music with your family and friends.

In addition to being a beautiful setting for your ceremony, the Garden Room can also be used for reception drinks for guests who arrive to the Orangery following a ceremony in church, as a stylish backdrop for indoor photographs or, for larger events, an alternative location for dancing and music.

A private room is also provided for the bride to meet with the Registrars prior to the ceremony. If your ceremony has already taken place elsewhere, this private room becomes a romantic haven where, as newly-weds, you can enjoy a quiet drink and reflect upon the commitments you have just made before you make your grand entrance to meet your guests.

your  
reception...

The exclusive Orangery, with its simple elegance, provides you with the perfect opportunity for adding your own distinguishing features which will set your day apart from any other. The Orangery is aesthetically designed to incorporate all the elements required for both comfort and grandeur. Discreet floodlighting brings the venue to life after dusk, ensuring that the magic lasts through into the evening.

Your guests will enjoy a sumptuous wedding breakfast provided by one of our designated caterers. Our carefully chosen caterers will work with you to ensure that you and your guests receive a delicious menu made from high quality produce. All styles and culinary preferences can be catered for and all tastes will be met.

The franchise bar at the Orangery is set at public house prices and offers a highly competitive wine ordering service. They will liaise with you directly regarding all your drinks requirements and will guide you through the simple ordering process.

Every wedding at the Orangery is unique from start to finish. Whatever you decide, you can be sure that your day will be one to remember, to enjoy and to share with those around you for years to come.

“Thank you so much for making our special day the most amazing memory. We wouldn't change a thing and it was better than we ever imagined.”

Roxy & Lewis

the  
gardens...

The Orangery is set within nine acres of stunning grounds which are exclusive and private for you and your guests to enjoy.

Set beside the river Len, the beautiful gardens include sweeping lawns, huge Wellingtonia Pines and Blue Cedars dating back over four hundred years. The natural beauty of the water creates a wonderfully tranquil atmosphere as well as unforgettable scenery.

The photographic opportunities are endless throughout the grounds: at the lake with the boathouse as a stunning backdrop, in

front of the tumbling waterfall, beneath an outstanding Wellingtonia Pine or simply relaxing on the lawns.

The grounds are there for you and your guests to enjoy, so seize the moment and capture all those precious memories. The Orangery truly is a photographer's paradise.

“It’s like a secret garden – you would never know such a beautiful place is hidden here.”

Rachel & Tom

the
