#### ADVICE FROM ABSOLUTE DJ'S Ltd

For many people, booking a DJ or Entertainer is a new experience. Like every other trade there are good and bad, experienced and novice.

#### HOW DO YOU CHOOSE?

Not all DJs are suitable for all types of functions/events. With this in mind we select the most suitable DJ from our own team to suit your specified requirements.

#### VALUE

Are you getting good value for your money? Take a Wedding for example - some people are happy to spend a fortune on the venue, dress, flowers and cake but neglect their choice of DJ. Can you take the chance on hiring a cheap disorganised DJ with a poor set up and limited musical knowledge? This is where quality outweighs the cost and often the difference is minimal.

#### INSURANCE'S

Public Liability Insurance (PLI) & Portable Appliance Tested Equipment (PAT) are standard. DBS, Health and Safety policies, Method Statements & Risk Assessments are all available on request. Absolute DJs also has a trading standards "Buy with confidence" mark and the Managing Director is a member of the FSB.

#### WRITTEN CONFIRMATION

We always provide written confirmation for peace of mind. This states your name, venue details, date, times and any other information that is important to your booking.

Finally, you can often get a good feel as to whether the DJ or Company is suitable for your event by the initial conversation.
