

STRETCH TENT MARQUEES

STRIKINGLY BEAUTIFUL,  
AMAZINGLY VERSATILE...

We have a passion for creating stunning outdoor events and bespoke installations using our extraordinary tents!

Our stretch tents are an exciting and very practical alternative to the more traditional marquees seen around the world. We create an exclusive indoor and outdoor experience by moulding the structures around the landscape or buildings. The popularity of our tents stems from both their quality and uniqueness along with the service that our clients have come to enjoy time and time again.

We strive to offer the most personal service possible to our clients, as we fully understand the complexities and trust required to ensure a special, memorable occasion. From small garden parties and corporate events to weddings and festivals, we have a vast range of sizes, colours and configurations to meet your needs.

Our bespoke stretch tent division gives venues and businesses endless possibilities to create amazing covered outdoor areas and seasonal semi permanent structures.
