Whichever type of ceremony you choose for your big day our personalised service and individual pricing allows you to choose from a wide range of options - this ensures you only pay for exactly what you want.

'We were recently married at Galloway Activity Centre on Loch Ken - we could not have asked for a better venue. Arrived by boat, had an outdoor ceremony and a ceilidh in the boat shed - everyone had the most amazing day'.

Sian and Lachlan Rae

To make things simple, our price is based on venue hire.

This means exclusive use of the grounds, our glass fronted reception room overlooking the loch and our boat shed (which makes for a cracking dancefloor!).

The reception room is the perfect location for your wedding meal. Seating up to 730 people the bright, sunny space can be decorated to your tastes and provides excellent views of the loch.

With fifty six bedspaces between our cabins, bunkhouse and mongolian yurts we can provide accommodation for your guests so they can dance the night away and sleep in comfort - we also offer a morning after brunch!

If you're looking for a spot of luxury, also available are our off grid eco bothies. The Otter sleeps two and boasts it's own secluded lochan and hot tub - perfect for the bride and groom to relax in after their big day. Red Squirrel and Red Kite sleep four and six respectively and benefit from private decking and hot tubs - and would make a great treat for the new in-laws.

We supply a varied range of catering options,
all freshly prepared on site, which can tailored
