Brighton and Hove wedding  
and civil ceremony venue*

## WHERE WE ARE

Located directly on the seafront and overlooking the iconic Angel Peace Statue, this grand, intimate Grade I Regency Town House sits on the coastal border between Brighton and Hove.

With the Bandstand, Hove Lawns and the beach all on the doorstep, Angel House with its stunning interiors is a photographer's dream and makes the perfect backdrop for your wedding day.

---

## WHO WE ARE

Angel House is privately owned and run. Our aim is for you and your guests to feel completely at home here and to have the freedom to make the day your own.

We love this historic house and have spent many years restoring it to its former glory. We are now thrilled to invite couples who want somewhere really special to share with family and friends on their wedding day.

## WHAT WE DO

Angel House is an elegant wedding venue licensed for civil ceremonies with a capacity for up to 60 guests seated and room for a further 25 for an evening reception. The house is yours exclusively from the time you arrive to the time you leave.

Even the simplest of weddings can get complicated and so we offer a wedding coordinator to help as much as you want, to ensure you get the best from Angel House and enjoy your experience from the moment you book right through to your wedding day.

## WHERE WE DO IT

### *Regency Room*

Your ceremony takes place here with vows exchanged looking out to sea and the Angel Peace statue through the floor to ceiling windows. With so many magical original features it's hardly surprising the room has been used on many occasions as a film and TV location. After the ceremony, whilst photos are being taken, the room is easily repurposed for your wedding breakfast where you and your guests can relax and enjoy delicious food in the most exquisite surroundings.

### *Morning Room*

Situated on the ground floor, this grand room with sea views is where the wedding party can enjoy pre-dinner drinks and canapés while photos are taken. It also makes a great place to retire to after dinner for the cutting of the cake and after dinner coffee.

## *Best Bedroom (Bridal Suite)*

To make your day even more special you have the option to book the second floor "Best Bedroom" (see "What it costs" section).

It makes a perfect luxury bridal suite with its sea views, double central bath and unique canopied bed. It is also a fun place for you and your guests to use during the day for getting ready, quiet chats, make-up re touching and wardrobe changes.

## *Half-Landing and Pink Room*

The staircase rises to the half-landing with its huge picture window and beautiful chandelier. It makes a great space for setting up a guest book and gifts table and on many occasions we have harpists or even string Quartet's playing as guests arrive. It is also a perfect area to serve champagne and evening drinks from. The very pretty adjoining Pink Room offers space for coats, bags and touching up make-up.

## HOW IT'S DONE

Service and attention to detail is paramount here at Angel House, so we have chosen three of the best, most passionate and experienced caterers in the area as our preferred suppliers.

They offer a delicious range of options and a willingness to create with you perfect signature dishes for your wedding day. Please see attached menus for more information or call us for a chat and to arrange a visit on 01273 711159.
