**MY WEDDING**

## Congratulations on your engagement!

We are delighted that you have selected our hotel as a potential wedding venue for your big day. We would love to meet with you, to run through in detail what it is you are looking for. Whether it's a lavish celebration or a more intimate family gathering, we will have the ideal function room for the atmosphere you desire.

The Glasshouse on the Lock has an immediate "wow" factor with floor to ceiling windows, a stunning backdrop of the famous Regents' Canal and superb vistas over Camden Market.

The options to customise the 'day of your life' are abundant with our beautifully placed hotel and our discreet & heart-warming service.

We are certain that once you do come and see us, you will understand why so many couples say that we are London's best kept secret - we love weddings, we love making memories, we have an unforgettable location for your unforgettable day.

For blissful wedding parties from 10 to 220 people, do allow us to look after you in our very own Camden way so that you are able to enjoy the most important day of your life; one that you will cherish forever.

## Once you contact us...

From the very first phone call to the actual day itself, your dedicated wedding coordinators here at the Holiday Inn London Camden Lock will use their experience, and guide you through the wide array of choices that will allow you to tailor-make your special day. We aim to remove most of the wedding planning stress from you which is why you will have one point of contact from start to finish - your wedding coordinator will be there from your first planning day to your first dance.

It is important that you tell us what you have been dreaming of so we understand all your needs. To us, every wedding is unique, so we want to make sure your wedding day is every bit as special as you would have imagined it.

Our team is not only knowledgeable, enthusiastic and helpful, we also anticipate your every need. Our reputation is based on us being flexible and responsive and most of all, on our ability to give you a fantastic start on the first day of your married lives.

# Receptions

Our main desire is to blend all the 'ingredients' to help you create your perfect wedding. We carefully handpick our partners to ensure that our offer is of the highest standard, the best value, the most creative and the most flexible.

Our wine merchants have created a list that will enhance your celebration, whatever cuisine you choose. Plus our chef has built a fantastic rapport with all our suppliers so that everything his team creates is seasonal, fresh, flavourful and imaginative.

Have a guilty pleasure? Our service team is known for being able to accommodate even the most individual of tastes to create an "it's your day" atmosphere.

Being in the heart of trendy Camden Town and overlooking the canal, you will be spoiled for choice when taking wedding pictures in and around our hotel. We are also licensed to hold wedding ceremonies for up to 220 people. Should you choose to register your marriage in one of our rooms and host your wedding party in another, your mind will be at ease whilst your guests transfer hassle free from one scene to the other.

On the day, nothing else matters but you. Our team ensures that no detail is overlooked; no guest without a drink, from the moment you both arrive until we bid your last guest good night, everything will centre around you.

# Catering

"Congratulations on your upcoming big day; you must be very excited! It is an honour & privilege for us to create your first meal as 'Man & Wife' and my team and I will ensure that it is just the way you want it.

We aim to provide you with a menu that is classic yet original, flavourful yet gentle, of the highest quality but of good value, honest yet a celebration on a plate! Sounds complicated but it is not. With every season change, we create sample menus as a starting point and together we work towards what you would like to have.

As a chef, it gives me much joy to explore your dream menu with you, to see empty plates coming back to the kitchen, to get emails asking me for recipes or when our couples come back and host their first baby's Christening. It is about creating memories for you and your dear ones; my team and I genuinely thrive on this.

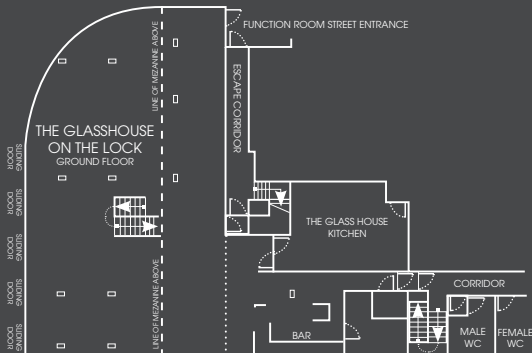

I hope we get the chance to meet up soon, it will be a pleasure!"

To help you with the dining arrangements, our head chef & food and beverage manager will be delighted to offer their expert advice throughout the planning process. Whatever option you decide to go for, you & your partner will be invited for a menu tasting to ensure that we capture every little detail to exceed your expectations.

## The Venue

The Holiday Inn London Camden Lock is truly a four star gem in the heart of the action; a stones-throw away from the Roundhouse, opposite the famous Stable Market, up the road from the Jazz Cafe, a 10 minute canal walk to London Zoo and direct Tube links to the West End or the City. Your wedding guests will be spoiled for choice with local attractions pre & post your special day.

The stunning Glasshouse on the Lock is located over 3 levels and is able to accommodate up to 350 guests reception style or 220 for a wedding breakfast. Our Penthouse Suites, with their private balconies, are also ideal for hosting pre-reception drinks during the warmer spring and summer months.

Our 130 rooms have varied settings to accommodate everyone: Bridal Suite reserved just for you, Doubles, Double Twin rooms for families, Accessible rooms, Executive and Penthouse Suites most of which have amazing views of the canal, the market or London. Remember to ask for special room rates for all your wedding guests.

It isn't all about the rooms though; it is how you & your guests feel throughout your stay. Do look us up on Trip Advisor, you will see that we sincerely do try to 'make your stay.'

## After the wedding...

Our commitment to you does not finish with the end of your wedding. Your co-ordinator will call you when you are back from your honeymoon, to ensure everything was to your satisfaction.

We also think that it would be great to see you again in the future, for another special occasion perhaps?

We hope you will choose us to look after you.

Thank you,

Your Holiday Inn London Camden Lock team.
