

CHYCARA
*The Cornish
Wedding
Venue*

AN INFORMAL, AND PICTURESQUE SETTING

Chycara is ideally suited for an informal country style wedding, as it is set in 16 acres of landscaped gardens, lakes and woodlands, which offer many opportunities for those special photographs that make your wedding day special. Linda & David will work with you to make sure everything is exactly as you plan.

MARQUEES

We have a specially constructed terrace for our marquees, which includes a catering kitchen and toilet block. Our main marquee can seat up to 80 people and with the addition of another, we can seat up to 140. Both marquees can be fitted with linings, swags and curtains, to create a warm and luxurious environment.

There is lighting and our outside flood lights can be set to co-ordinate with your wedding colour. Infra-red heating can be hired for out of season weddings and there is a P.A. system with handheld microphones. Also available is a flashing tree light and a large screen and projector for those wishing to display images or film.

We can provide tables, chairs and linen and you be able to decorate the marquee the day before your ceremony.

CATERING

David and Linda can help and advise on all aspects of catering, from buffets, hog roasts or a more formal wedding breakfast. You are at liberty to bring your own caterers or even do it all yourself and there is no charge for corkage on wine. We can also help with entertainment, decorations, photography, and florists.

PARKING

We can park up to 70 cars within the grounds of Chycara and away from your event, leaving the setting free from traffic.

ACCOMMODATION

Chycara has three bedrooms within the main house and two self-catering lodges within the grounds. If all the accommodation is booked, you will also have use of the swimming pool and other facilities within the leisure centre.

"We particularly appreciated your enthusiasm and personal involvement in setting things up to make it such a success."

"It went absolutely splendidly: the feedback from the guests was that it was the nicest wedding reception that any of us could remember."
