## Congratulations on your forthcoming wedding!

---

We are open to hearing your ideas about what you want for your wedding.

Be it a casual buffet reception, a sit down dinner or even just drinks!

---

We, at Assembly Roxy, understand that this will be one of the most memorable days of your life and we will strive to make the day perfect for you and yours.

Assembly Roxy is the perfect setting for a wedding, set in Edinburgh's Old Town; it is the perfect mix of old world tradition and charm with new world sensibilities

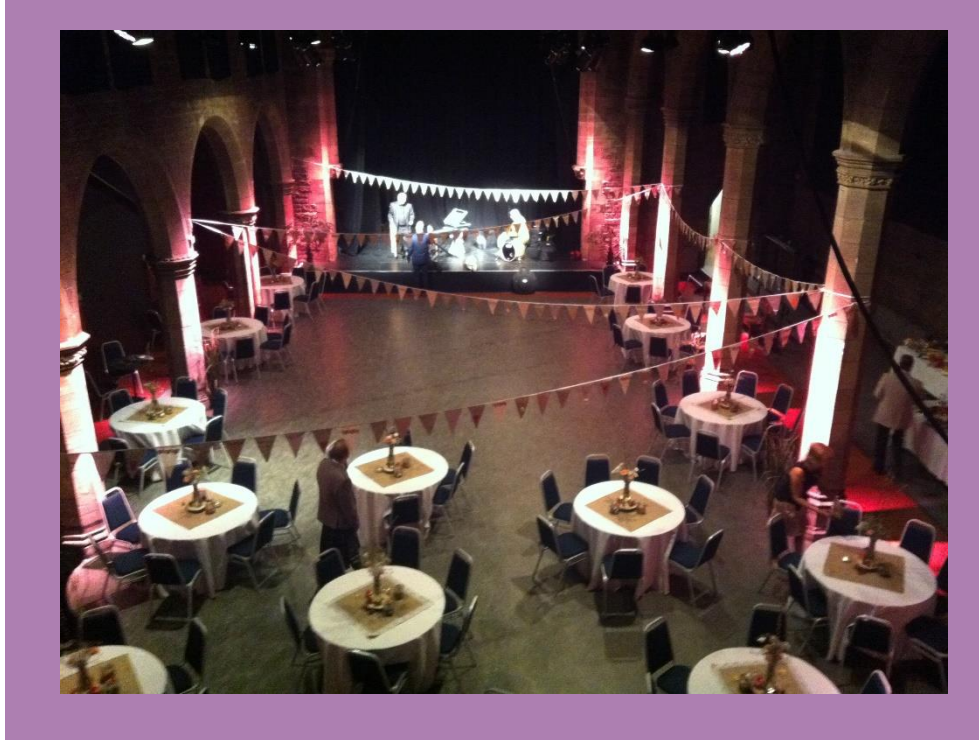

Originally Lady Glenorchy's Church, it was set up as a place for the masses to come together for contemplation. Now, no longer a house of prayer, instead an arts venue with original architectural attributes and a vision to provide a perfect setting for civil and humanist weddings.

Assembly Roxy has a background in producing theatrical works and so have the artistic and technical flair to make your wedding individual to you.

---

We are happy to look at doing a bespoke costing to cater to your exact needs, or you may prefer to hire the venue only with the bar and tailor it to your own requirements.

# *Central*

Beautiful columns, original altar, high ceilings and ideal central location.

Our main space *Central*, is a classic Church-style space, retaining many of its original features from its days as Lady Glenorchy's Church.

A beautiful setting for both the ceremony and reception.

We can cater for both the wedding ceremony and the reception, and can accommodate up to 160 for the wedding breakfast in a formal sit down style. Central can be atmospheric and reverent for the ceremony then spacious and accommodating for the reception.

The Central can lend itself to a range of layouts and lighting options, giving a fully flexible 'blank canvas'.

We offer a range of set ups and spaces for your use.

You will be given complete wedding exclusivity of the venue

There are several rooms available for limited storage and changing room use

We also have breakout spaces, able to hold up to 60

Perfect set up for a full sit down meal, with plenty of room to dance.
