## Your Wedding Day

Wedding Days at Picton Castle are special because we go out of our way to make them so...

On the day, the historic Main Gates and Drive, which was used by Her Majesty the Queen, will be opened for you and your guests.

Bridal couples have shown lots of imagination in booking their wedding transport. We have seen everything from a host of different horse-drawn vehicles and fabulous vintage cars to modern limos - even helicopters on the south lawn!

Our dedicated team will be on hand to greet early guests, giving them the choice of gathering in the Great Hall, enjoying the gardens or perhaps popping into our Restaurant for tea.

For your musical accompaniment you are welcome to use our beautiful Steinway grand piano. The acoustics in the Great Hall are perfect so that whatever your choice of music, the sound will be glorious.

We will make sure it is a day you will never forget.

## Winter Weddings

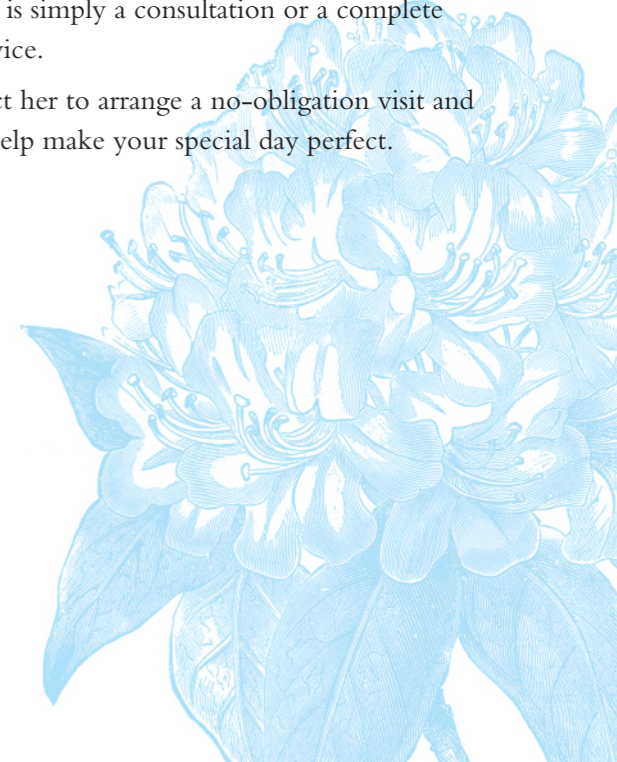

Our special Winter Wedding Package is a new development for those of you who require a smaller ceremony at this wonderful time of year and is available November through to March. This Winter Special includes the Ceremony in the Great Hall with the roaring log fire adding to the atmosphere. The Sparkling Wine Reception is in the state rooms of the historic castle, followed by a three course meal in our Courtyard Restaurant for up to 40 Guests. We supply the setting - all you have to do is supply the guests.

Full details and prices can be viewed on our website.

Fireworks are permitted if they are booked with West Coast Fireworks of Narberth.

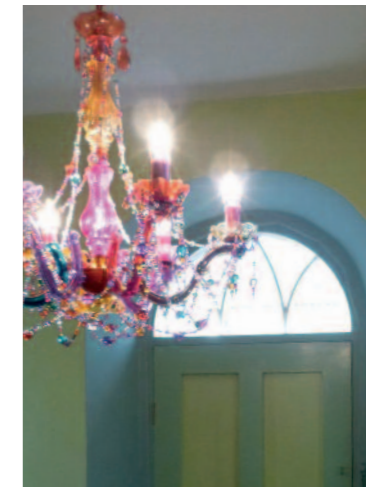

Like many venues, confetti is not permitted.
