

# About Carol Elizabeth Photography

I have a classical style of photography with a relaxed approach to your wedding day. My aim is to provide you with a set of beautiful and timeless images which you can treasure for years to come.

I am a qualified member of IPPN and SWPP as well as a member of The Guild of Photographers.

I offer half day and full day pricing options to fit around your day. I also offer a range of beautiful wedding albums which are manufactured in the UK to showcase your favourite images.

An optional pre-wedding photoshoot is included with all pricing options. You will receive your wedding images edited to a high standard on USB with full printing rights as well as an online gallery.

I am professional, calm and friendly and I can be relied upon to produce beautiful images from your wedding day. So please don't hesitate to get in touch, I look forward to hearing from you!
