

A truly unique celebration...

You can get married on a stunning beach with the sand beneath your feet!

Thank you for your email relating to the possibility of having your wedding at Harvest Moon. All weddings that we've hosted so far have been unique in the sense that each couple has planned their own theme so we encourage you to put your own stamp on the day and make it the wedding of your dreams. We have 2 beautiful sites to choose from, the Safari Tent site and the Treehouse site each with their own unique character.

The Safari Tent Site

Get married on a stunning beach with white sand beneath your feet at our Luxury Safari Tent site and spend your wedding night in our romantic honeymoon tent. To get married at this venue, all that is required is that the site comprising 7 Safari Tents including the Honeymoon tent as well as the wedding marquee for as little as £7,135.

The package starts at £3,885 for the rental of all the accommodation for 50 people which is often paid for by the guests staying and the wedding marquee starts at £3,250 depending on numbers-please see the FAQ's attached for a full cost break down and what's included.

The Treehouse Site

Or why not get married at our beautiful Treehouse site in view of the Bass Rock and spend your wedding night in our stunning honeymoon Treehouse, situated 2 meters off the ground with spectacular views.

The package for the Treehouse site starts at £5,000 and includes accommodation for between 42-48 people and the site rental fee, it does not include the marquee, as guests are free to organise their own, please see our list of local suppliers attached for a number of marquee companies that we can recommend.

The sites are yours for the weekend and we can cater for different themes and sizes of wedding. What's more we encourage you to make the celebration uniquely yours by adding your own personal touches.

Words do not do the sites justice so please contact us at info@harvestmoonholidays.com to arrange a wedding visit. We also have a wonderful wedding video which you must watch: [Wedding Video](#).
