About Ivory Tower Weddings

'We love weddings—simple!

No two brides are the same and therefore no two weddings should be the same. From the planning and designing of the theme, to the size and shape of the bow on your stationery, we will help you create a bespoke wedding that is individual to your taste and makes your day unique.

Having coordinated over 100 weddings in the past, we can help you plan every last detail of your wedding, whether you would like a marquee in the middle of a field or simply place cards for your tables.

With a genuine passion for organising and meticulous attention to detail, our team have years of experience in planning and managing events and have worked with many high profile clients – including the Queen!

Make an appointment at our gorgeous showroom and we will spend some time getting to know you and your tastes and then create some ideas and designs for you to choose what you like. Simple and easy –from flowers to stationery, tell us your budget and we'll design something to suit.'
