

EVENING RECEPTION

We are able to host evening receptions for up to 150 guests; there is an ample dance floor and private bar in our function suite and we are able to arrange professional entertainers and discos to suit most budgets.

You will be required to book a number of bedrooms in order to use our function suite after 5.30pm, if this is not suitable other options are available, such as an alternative evening venue, Lake cruise or a combination of both which we will be happy to assist you with.

We can also offer subsidised travel home for larger local wedding parties.

LAKE CRUISE

If you wish to book a cruise on Lake Windermere we can arrange this for you. They are traditional launches, which holds 35 guests, for a 1 hour cruise around the Lake. The cost is £350 per boat and we can provide 2 boats to sail at the same time or larger cruises are available from Bowness Bay, just a short drive away.

If you would like drinks on board you may provide your own wine or Champagne and plastic glasses or choose from our drinks reception or wine list in which case we will provide the plastic glasses and a waiter on board.
