

# About me

My Name is Amy and I am "The Cake Genie", I specialise in creating special and beautiful cakes for all occasions including wedding cakes, celebration cakes, birthday cakes, fairy cakes, cupcakes, anniversary cakes, christening cakes, cakes for corporate events and chocolates treats. I provide a personal and friendly service, from one-to-one design consultation, right through to cake delivery and set-up. All my celebration and wedding cakes are made with the utmost attention to detail, to provide that special and memorable centrepiece for your celebration. From traditional styles to chocolate cakes, sponges, fairy cakes and novelty cakes, the Cake Genie can provide the perfect celebration or wedding cake for your requirements.

All my cakes are home baked, fresh for every order giving that lovely fresh baked taste. Where possible I use fresh local ingredients and tried and tested recipes. All ingredients are of excellent quality and I do not add any artificial flavourings, preservatives or synthetic alternatives.

My fillings are made fresh for every order from real butter and high quality confectioner's sugar and flavoured with natural vanilla extract or high quality unsweetened cocoa.

I ask for as much notice as possible for orders and a minimum of two weeks is required for most celebration cakes and a minimum of four weeks for wedding cakes. It may be possible to produce 'last minute' orders as I aim to please but this will depend upon the design requirements and work load at the given time.

# All about Cakes

## Wedding cakes

Wedding cakes can be made in traditional rich fruitcake, a light flavoured fruitcake or a variety of flavoured sponges, including chocolate cake, vanilla sponge and carrot cake with other flavours available on request. I have an extensive catalogue of wedding cakes which you can choose from, or you may have a picture of a wedding cake that I can recreate. Whatever you choose, together we can design a wedding cake to your individual requirements and will work hard to ensure you receive the wedding cake of your dreams.

You can choose from traditional wedding cakes, chocolate wedding cakes, modern and contemporary wedding cakes, novelty wedding cakes, mini wedding cakes, cupcakes or even a fairy cake tower wedding cake.

I can also provide wedding cake stands, wedding cake delivery, and wedding favours. I can deliver to a wide area so please ask for details.

## Birthday cakes

Made to order for ages 1 to 101 you can choose from a variety of flavours and styles. Whether you choose a traditional styled digit cake or a more elaborate novelty cake it can be "themed up" just for you.

Whatever the birthday boy or girl has a passion for,

Cars, TV characters, princesses or maybe they're into music, ipods, fishing, golf, shopping, art or handbags in fact any interest at all can be reflected on your cake.

Adult birthday cakes don't need to be traditional so why not go for a novelty cake or maybe even something a little saucy to create a bit of a stir at your party.

## Christening & Naming cakes

Whatever you're looking for I can make your cake in the design and colour of your choice. Whether you want, a more traditional style, or maybe something very cute and cuddly, your little boy or girl's cake will be something to be remembered and admired for a long time. I also offer a recovering and redecoration service in case you have kept part of your wedding cake.

## Anniversary cakes

Whether you are celebrating your first or fiftieth wedding anniversary, I can make your anniversary cake especially for you. How about an anniversary cake in the shape of a heart? Or a cupcake tower with your personalised images? Cakes are available in a variety of flavours and in a traditional or modern style. Cakes can also be designed to more adventurous specifications.
