Bedrooms

With 22 beautifully designed bedrooms and suites, there's no need for carriages at midnight, or even the next day - you can even make a weekend of it! You and your guests can enjoy the run up and relax the day after with plenty of cosy sofas to sink into, next to crackling log fires, or a beautiful walled garden to amble around come the summer months.

If you are planning to have music on the night of your wedding we do request that you and your guests occupy 10 bedrooms which we can offer you at our specially reduced wedding rate.

Each bedroom has been Individually designed and been enriched by a collection of sumptuous antique furnishings and contemporary fabrics and wallpapers, which form their unique character. With magnificent four posters in some, a Jacuzzi in another, others have views overlooking the gardens and the River Coln.

Our idyllic Garden Cottage Suites have their own separate sitting room and private garden, one with a kitchenette area, one with log fire and one with its very own hot tub. We've gone all out to ensure you have a comfortable stay at The Swan. The Nespresso machines in the bedrooms and the Molton Brown products in the bathrooms will help with that.
