Video & Photography

*Preserve the memory of your wedding day
with DV & Photography*

April Productions Video & Photography

was established in 1992 and we specialise in wedding DVDs and Photography.

DVD or Blu-ray

We record on broadcast standard cameras in either high definition or standard definition (package dependant) and are discreet at all times, so both you and your guests will feel comfortable with being filmed. In fact, most people hardly notice we are there, just read our testimonials!

We work "in the background" capturing all the details of the day and memories that will be a precious reminder of your special day for years to come.

We are able to film as little or as much of the day as you would like and offer a range of packages. Although our years of experience have allowed us to gauge an idea of packages, you may like something different. If so please contact us to discuss your personal requirements.

Package highlights

- **Your choice of photos for the opening sequence**
- **Your choice of music throughout**
- **Summary of the day for the end sequence**
- **Guest interviews**
- **Two cameras filming during the ceremony and speeches**
- **Fully edited footage**
- **3 copies on disc**
- **Chapter points throughout disc**

Reception / Party package

If you are getting married abroad and having a reception / party on your return, this is the package for you. We can video and / or photograph your celebration. This can include your guests arriving, chatting, speeches, disco and first dance of the evening. The package includes two DVD's fully edited.

Photography includes a disc of all images taken in full resolution jpeg format, with reproduction rights for you to print yourself.

Two hours attendance costs £150 per service
or £250 for video and photography.

Photography

We incorporate a mixture of formal and reportage style photography. We will work with you before the day to plan any specific images that you would like us to capture. We offer a range of photography packages that can be flexible to meet any individual requirements. All of our packages include a disc or USB with full resolution jpg images (anything between 100 and 600+ photos depending on the package you choose).

You will also receive a presentation show with approx 40 photographs. These images will be set to music creating an ideal way to show friends and family the highlights of the day. We give you reproduction rights to print the images, or we can print them for you. Your photos will be available to view on our password protected website. You and your guests will also have the option to purchase prints directly from the site.

Combi packages

At April Productions we are aware that many couples have to work to a tight budget when planning a wedding. We are delighted to offer both Photo and Video 'Combi' options which are ideal for couples who are cost-conscious, but would still like to have a professional provide their Video and Photography.

PHOTO COMBI - £1200 (£1400 in HD)

Your photography commences with the finishing touches of the bride and wedding party getting ready (if required), arrival of the guests and wedding party, bride and bridal party arrival.

At this point, the stills camera is put down and the ceremony is video recorded from bride walking down the aisle, throughout the service until the bride and groom leave the service capturing those all important vows on video.

Photography then recommences with the group photography at the place of service and / or reception. At the reception, Bride and Groom arriving to the wedding breakfast, mock cutting of the cake, then informal photographs throughout the receiving line.

Speeches, cutting of the cake, guests arriving to the evening reception.

Your photography ends capturing that special first bride and groom dance of the evening.

VIDEO COMBI - £1200 - Single operator (£1400 in HD)

Your video commences with the finishing touches of the bride and wedding party getting ready (if required), arrival of the guests and wedding party.

Your entire service is filmed through to the happy couple leaving the ceremony.

At this point, the video camera is put down and we commence photography.

From a large group photograph with everyone at your wedding through to the intimate bride and groom shots, these are those treasured images to compliment your video.

We then re-commence video with the receiving line. Bride and groom entering the wedding breakfast, cutting of the cake, speeches and guest interviews.

The video ends capturing that special first bride and groom dance of the evening.

PHOTO COMBI XTRA- £1450 (£1650 in HD)

As well as the photography of your day and video of the ceremony, you may like the speeches video recorded as well, if this is the case, Photo combi Xtra is for you! You will still get some photographs through the speeches, but this package will predominantly focus on the video; with two video cameras though the speeches, fully edited and added to your DVD's or Blu-ray if you choose the HD upgrade.
