Dear Donal

Thank you so much for everything you did for us on our wedding day recently, all the decorations exceeded our expectations and we were so pleased to see you on the day itself. I really valued the continuity of the Pollen service; it really reassured us that you were there from the start of the planning to the big day itself. Attending to all the little details and moving things after the ceremony etc – it really meant we all could relax and enjoy the day. Thank you so much! Hope you didn't mind being featured on the order of ceremony - we wanted to let all our guests know who did the lovely décor!

Kindest regards

Becca and James

Dear Donal

Having returned from honeymoon, I wanted to get in touch to thank you and the team at Pollen for making our day so special at Buxted Park on the 22/11/14.

The rooms all looked great - so beautifully enhanced by your touches and experience. The flowers and bouquets were stunning. The most important aspect for me was the total trust and confidence I had in you delivering everything for me as planned and just sorting out any minor problems along the way. That type of service is so invaluable and much appreciated by me.

Thank you again.

Kind regards

Karen
