Testimonials

“Perfection!” by Amy and Jake Macey 27th August 2015

“Since our wedding we have had non-stop comments from our guests saying that RSYC was the best wedding venue they’ve ever been to. The best chef, the best staff, etc... and they meant it!

The venue is beautiful with a ceremony room upstairs, a bar integrated into the reception area (to keep guests dancing), dance floor, balcony areas with views over the harbour, impressive front entrance which looks great in photos, clean toilets, event he chance to go down onto the pontoon for photos.

The food was spectacular, the chef is a true perfectionist and tailor-made a menu especially for us. RSYC is happy to advise and suggest things but will leave as much as you want up to you (for example, we made our own decorations and stationery, but the venue can do it for you).

From the moment Becca took on the organisation of our wedding she was prompt, efficient and conscientious; she made us feel relaxed and that everything was under control. On the day she and the staff were friendly and professional, and everything ran like clockwork. They also really look like they enjoyed the event which made a difference! They were really flexible and Becca did everything she could to make our lives easier. Even the next day pick-up at the venue was made really easy by the thoughtful staff at RSYC.

I can’t praise or thank the venue highly enough... it was perfect!!”

Will and Tracy Roper 25th July 2015

“The Club was wonderful, it’s so well appointed anyway that a few simple flowers and decorations made it shine effortlessly. The location is absolutely unique and stunning and the staff made the process of planning and preparing stress free and painless. The day went so smoothly and the took everything in their stride. All of our guests commented how amazing the club was!”
