

The whole Kit & Caboodle

Amazing, Unique Events Don't happen through serendipity.
The best events live on in the memory of those who attend them and backed by our experience, inspiration and understanding of just what can be achieved, we can help you create something your guests won't forget

Whether it's a corporate event or private party you can't leave something this important to chance.

So let us help you with all the details

At The Event Hire Company we plan on making a scene.

Our furniture, equipment & styling accessories will lend the perfect backdrop for the atmosphere you and your clients want to create, and if we don't already have it, we can custom make your visions!

Meticulously planned, delivered and executed by us; all you need to is add the guests!

**Let us worry about the logistics
so you can be freed up to do your
own fabulous thing!**

From large scale planning to sourcing & adding those special finishing touches, professional styling can lift your event to a whole new level of fantastic, whether it's celebrating in style, sharing the benefits of your business of helping guests enjoy the evening of their dreams.

From your first enquiry, we're ready to roll up our sleeves.

Our team will design, set up and take down your event so efficiently, with the highest quality furniture, accessories and bespoke items, it might feel like we've waved a magic wand.

It's not magic, we work really, really hard so your efforts can be focused elsewhere.

Making events happen memorably.
