MAIN POINTS ON HIRING OR BUYING A KILT PACK

1. KILT Best with a full 8 yard 16oz heavy weight kilt, as it sits, swings, hangs and looks a million times better than a 13oz medium weight kilt and it is **not any warmer**. It is preferable to have a stain proofed kilt which is also beer proof.

2. JACKET Houstons have a super light weight well cut comfortable range of jackets with a choice of button options compared to most other kilt hire shop jackets which are bulky heavy, boxy and not very comfortable to wear.

3. SPORRANS Seal skin, racoon, nutra, mink or grey fox are the best looking and wearing sporrans compared to most hire shops which are now having to use bovine, pony or rabbit which are not great looking.

4. ASK ABOUT AGE OF HIRE STOCK
5. HOUSTON HIRE PACKS ARE ALL DELUXE QUALITY PACKS, RETAIL VALUE £1400

(compared to most hire shops value around £600)
