FREQUENTLY ASKED QUESTIONS

WHAT IS REQUIRED TO BOOK OUR WEDDING DATE?

A signed contract and a 20% retainer are required to reserve the wedding date.

DO YOU EDIT THE IMAGES BEFORE WE GET THEM?

Yes, I do. The main images that you receive has been edited, one at a time. I also often select a few favourites for special attention above and beyond the individual image editing and you will receive the final files as jpegs.

HOW LONG DOES IT TAKE TO GET OUR PRODUCTS AND IMAGES?

Your digital pictures are usually ready 3 weeks after the wedding date. Upon final approval of album designs most albums are ready for delivery within 4 weeks.

HOW MANY PICTURES DO WE GET?

I would rather guarantee the quality than the quantity. However the number of photographs taken depends on many things - the number of guests, hours of coverage, types of events. A typical wedding will be about 250 to 600 images for an eight hour day.

CAN WE GET OUR OWN PRINTS DONE?

Yes. My package gives you personal print rights with the photos. I also offer a professional print service with your online gallery if your are looking for a high quality colour corrected print service.
