

# TEESSIDE GOLF CLUB

Teesside Golf Club is the ideal venue for special occasions, wedding receptions and evening parties. Members and non-members welcome.

The function room offers a modern and contemporary setting and can accommodate up to 90 guests.

Included is a private bar and dancefloor, access to the seated balcony area which has beautiful views across the golf course, with free parking.

The Function Room can be fully “dressed” ready for your wedding day by our partners **Special Events**. They have the most beautifully comprehensive range of elegant and bespoke chair covers and sashes in the North East of England. These unique fitting covers are expertly fitted and now come with a new range of crystal organza sashes. The amazing table swags to add the finishing touch to the venue, made from the finest quality material for that unforgettable look. Our 'Starlite' top table/cake table swags are also available now.

Why not liven up the venue with your very own Candy Cart! Stocked with a delightful range of decadent, traditional confectionary treats for your guests to enjoy.

To discuss your requirements please call Sharon Wood on 01642 628130 who will go through all the options available including menus for the wedding breakfast, evening parties and how you want the room to look on your special day.
