Clean Heels Heel Stoppers™

The world's first
original heel
protectors!

It's Bloomin' Genius...!

Never leave home without a pair in
your handbag, just in case.
Girl's best friend is her heel
stoppers, no ruined heels.

Going to a Wedding, or the Races? Need to protect wooden floors?

Don't get that sinking feeling!
Heel Stoppers will prevent high heels from sinking
into soft ground, falling into cracks and protect
wooden floors.

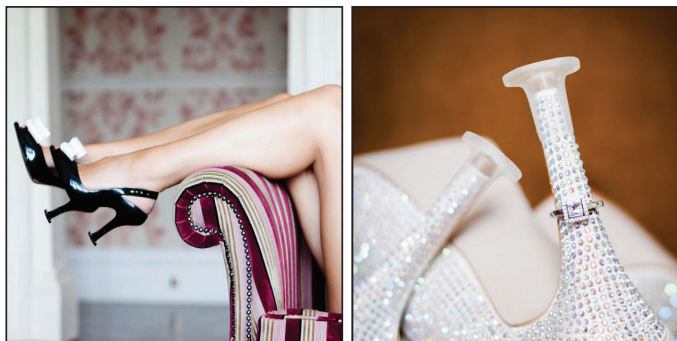

Easy to use

The Clean Heel is designed to fit snugly and the
flexible material grips securely without damaging the
heel of the shoe.

Protects you and your shoes

The flexible tube not only protects the heel from
any splashing or dirt in wet weather, but also
stabilizes the balance of the wearer when walking
on uneven surfaces.

AVAILABLE IN 3 SIZES:

Petite 0.5 - 0.7cm • Small 0.9 - 1.1cm • Medium 1.2 - 1.5cm

AND 3 COLOURS;

CLEAR - BLACK - GREEN
