Final numbers of guests must be confirmed no less than 28 days prior to the event. If final numbers are less than the contracted minimum signed for at the time of booking, the shortfall in the agreed will be charged. If attendance falls and discounts have been agreed based upon the numbers attending, the hotel reserves the right to charge full published rates.

5. Accommodation

Any bedrooms held on allocation for guests will automatically be released 4 weeks prior to the event if guests have not booked them. Bedrooms included in the package are the responsibility of the bridal party to confirm, the rooms will be released 4 weeks prior to the event if not confirmed.

Should any of the guests of the client be unable to correct any aspect of their poor behaviour or activities deemed unacceptable the hotel reserves the right to terminate the contact. Should this occur no monies will be refunded to the client and the decision is final.

The costs of repairing any damage caused to the property, contents or grounds of the hotel by the client or their guest must be reimbursed by the client.
