# THE VENUE

## THE ROOMS

BALTIC offers various spaces for wedding reception and ceremony hire, each with their own character and ambience.

### Level 1

Level 1 is BALTIC's largest event space, a whole floor of the gallery just for you and your guests. The main space holds ceremonies for up to 180 guests and the additional three rooms, which include a 54-seat cinema and dressing room, can be creatively transformed into a truly unique wedding venue.

### Six

Six is BALTIC's rooftop restaurant and is famous for its amazing panoramic views of the Newcastle and Gateshead quayside. The restaurant serves a delicious modern British menu, drawing inspiration from the very best ingredients in the North East. Six can host wedding breakfasts of up to 120 guests and the Viewing Box is ideal for smaller ceremonies and canapé receptions.

### River Terrace

River Terrace is located on BALTIC's ground mezzanine floor. The full length picture windows fill the room with natural light and provide a stunning city backdrop for your big day. By night the stylish venue sets the stage for an elegant reception where your guests can enjoy a party as the room is set for dinner and dancing.

### BALTIC Kitchen

Although not available for private hire during the daytime, the airy and modern room is an excellent space for guests to chat and mingle before your evening reception. With a licensed bar, your guests can relax in comfort while the River Terrace is transformed.

## CEREMONIES

BALTIC is fully licensed to host civil ceremonies in River Terrace, on Level 1 and in Six's Viewing Box. With capacities ranging from 30 to 180, BALTIC is perfect for both intimate and grand ceremonies. Please speak to Gateshead Registry Office to book your ceremony Tel: 0191 433 3000, Email: [registeroffice@gateshead.gov.uk](mailto:registeroffice@gateshead.gov.uk)

## WEDDING BREAKFASTS

With sustainability and locally sourced ingredients at the heart of everything we do, we will create a delicious and bespoke menu, showcasing the best seasonal produce. For those looking for an interesting alternative to the traditional three course meal, we also offer some more informal options, including barbecues, buffets, and canapés.

## RECEPTIONS

By night the River Terrace overlooks the sparkling lights of the Newcastle Quayside and the dramatic arch of the Gateshead Millennium Bridge. This spacious venue sets the stage for a stylish reception for up to 250 guests for drinks and dancing.

# FOOD & DRINK

We put fresh, local and seasonal ingredients at the heart of our sustainably designed menus, which are lovingly prepared by our talented chefs.

Following on from a full consultation, our head chef will create a bespoke menu, tailored perfectly to your tastes and preferences. A complementary tasting in Six Restaurant will help you to finalise your choices and try our sommelier's recommended matched wines.

With over a decade's experience in event catering, our team will be on hand to offer advice and suggestions to ensure your menu is the best possible complement to your wedding day.

These example menus are just a flavour of what we can do. Please contact your wedding planner for comprehensive food, wine and drinks menus or a bespoke quote.
