

Weddings

The Jervis Gallery, St Vincent College

Congratulations

...on your engagement and forthcoming wedding!

The Venue

We are delighted you have selected the Jervis Gallery at historic St Vincent Sixth Form College, as a possible venue for your wonderful occasion together.

We can also give you the picturesque setting of the waterside for the ceremony and hold the Wedding Breakfast and Reception in a marquee.

The Setting

The gallery sits on the edge of a delightful tidal creek on the western shores of Portsmouth Harbour, with views across to the estuary.

This is an ideal backdrop for photographs which you will treasure for the rest of your lives.

Weddings

At St Vincent we have a dedicated Events Team who are passionate about your wedding, ensuring that the very best expert advice is available to guide you through all aspects of planning your big day.

From your first visit to the campus until the final guest departs on the day, we are here to help ensure that your wedding is truly the happiest day of your life.

Civil Ceremonies, Civil Partnerships & Wedding Receptions

The Jervis Gallery is fully licensed for ceremonies and receptions of up to 180 guests.

Alternatively, we are an ideal venue for those who have had a church wedding or ceremony elsewhere and simply require a unique location for an evening wedding breakfast or buffet.

This unique historic setting is a perfect place to party the night away.

Close to the town centre with easy access to local accommodation.

Get in touch

Should you wish to visit our venue, please contact the Events Manager to make an appointment. You will be met on site at St Vincent for a full viewing of the venue and a personal one to one chat about your particular ideas and requirements for your special day.

*Come and visit us –
You will not be disappointed!*

Bride

Groom

Catering

We work with a local caterer with many years experience in providing the highest quality meals. We are happy to provide example menus for you to view.

It's about you...

Our wedding venue planner
will work with you to design
the venue of your dreams.
