## YOUR EVENING RECEPTION

The Duke's historic Victorian architecture combines elegance and grandeur to create the perfect setting for your reception.

We have cosy and intimate spaces for a smaller gathering, or if you're planning something bigger, our dramatic Grand Ballroom can be yours for the night. Whatever your heart is set on, we have the perfect place, just for you.

When the dancing and celebrating has built up an appetite, our talented and creative chefs will be on hand to serve up the perfect buffet to keep you and your guests in the party mood!

## WEDDING NIGHT

And so to the first night of the rest of your lives.

For pure indulgence, stay with us and let one of our stately four-poster rooms be the perfect romantic setting for your wedding night. Our rooms are beautifully decorated with a style and elegance befitting Plymouth's original period hotel.

Every four-poster honeymoon suite will have chocolates, flowers and champagne waiting for you as a gift from us. We'll also gladly arrange any special gifts or keepsakes you have for each other to be delivered to your room as well...call us old romantics!

We have more than 70 warm and characterful rooms at The Duke, which means we can extend a welcome not only to you, but to your nearest and dearest too if they'd like to stay.

## OUR WEDDING FAMILY!

Weddings have been a part of The Duke's story from the beginning, with couples returning year after year to celebrate 40th, 50th and even 60th Wedding Anniversaries in the place they started married life together.

But we're not just about the past, today we can create weddings that are the perfect mix of old and new. To do so, we have assembled a 'family' of wedding partners who we can introduce you to. This eclectic and exciting mix of experts can advise on and supply everything from cakes to cars, photographs to favours...between us we have everything covered.

We can't wait to welcome you to the Duke wedding family, but most of all we'd be honoured to be a part of the story of your wedding. So talk to us, let's make dreams come true for the biggest day of your life.
