Nestling amidst the beautiful Wiltshire countryside in an area of outstanding natural beauty, Wellington Barn offers a unique and intimate wedding venue, full of rustic elegance and is completely exclusive to you and your guests for your special day.

The Old Barn, which has been lovingly restored to keep many of the original features including the high vaulted ceilings and oak beams and is licensed for civil ceremonies, allowing you to enjoy your wedding ceremony in an intimate, traditional and truly memorable setting.

The Main Barn is where you can fully appreciate the views of the surrounding countryside through the large panoramic windows that span the whole of one side.

The room has a real wow factor with traditional wood panelled walls and draped ceiling. The main barn can seat up to 180 people.

You can enjoy the peaceful surroundings throughout your entire day with our outdoor terrace, surrounding grounds and secluded pagoda area. All in all a stunning backdrop to your wedding whatever the weather.

The Barn also benefits from a fully stocked and spacious bar, a lounge area for weary revellers to rest their feet, and a large private car park.

Wellington Barn is a family business with oodles of experience to guide you through your big day.

CIVIL CEREMONIES

Enjoy your civil wedding service in our rustic yet elegant Old Barn. We can lay out the room for up to 100 guests with our classic gold chairs and a registrar table at the front of the room, and of course, our event manager will be there to guide you through the experience.

St Mary's Church

There is also the opportunity to be married at our ancient village church. St Mary's is a beautiful hidden little church situated in an essentially rural setting in a unique and very peaceful location at the end of its own country lane just half a mile from Wellington Barn.

Bar & Dance Floor

Our well stocked and fully licensed bar is perfectly situated between the main barn and dance floor, providing an excellent service as the evening progresses. The spacious dance floor allows you to dance the night away with your choice of having a band or DJ.
