A Grade II listed manor house set in beautiful secluded gardens and surrounded by meadows, woodlands and cider orchards.

A hidden gem in the rolling Somerset countryside, Pennard House is the epitome of dreamy English elegance. The house has been in the same family since it was built in the 17th century and has always been a welcoming home, with generations of friends and guests returning through its doors over the years. Now it can be exclusively yours for your wedding, offering a blank canvas for you to plan exactly the wedding you want.

So, if you are looking for a relaxed and informal setting, Pennard House is just the place; come and make yourself at home and enjoy your perfect day.

### A HOME TO MAKE YOUR OWN

At Pennard House there are a number of different spaces you can use, so you can have the wedding that is completely unique to you in a beautiful, relaxed setting surrounded by friends and family, while we take care of the details.

Why not stay two nights and make it a full weekend wedding? Many of our couples do, enjoying Pennard as a home for the night before the wedding. Start with a dinner party for your nearest and dearest. Then wake up in the morning and go for a walk, swim, play croquet or just drink champagne while you are visited by hair and makeup. And possibly end festivities with a game of rounders and a BBQ by the freshwater swimming pool on the day after your wedding.

With complete flexibility to choose how your day will take place, at Pennard House, we truly want you to have the wedding you want – your way.

### EXCHANGING YOUR VOWS

You can hold any ceremony you like at Pennard House, be it a church wedding, civil ceremony or humanist celebration. Your wedding ceremony can be held in a variety of different spaces, just depending on how and where you want to tie the knot.

The rural Church of All Saints is a picturesque village church located just across the garden. It's a moments' walk when you are ready to wed, and perfectly located to stroll back to the gardens with your guests for your first glass of champagne as a married couple!

For civil ceremonies, there is either a large, bright room within the house, or the Garden Pavilion on the lawn. Both spaces are licensed for civil ceremonies and you can choose which space you want to use on the day – so the weather doesn't have to be a factor.

### DRINKS AND CANAPÉS IN THE GARDEN

With sweeping south facing lawns, a secluded rose garden and a Victorian freshwater pool, the gardens at Pennard House offer the most beautiful surroundings for you and your guests to celebrate.

Pennard House has two gardens within a garden, divided by a small lane. There is the open, sunny lawn in front of the house which is ideal for you and your guests to enjoy drinks, canapés and a game of croquet accompanied by acoustic music in a quintessentially English setting.

The second garden across a path, with clipped hedges, a hidden rose garden and the inviting spring-fed pool is ideal for photo opportunities or for guests to explore.

### DINNER AND DANCING

Moving on from the drinks reception, our wonderfully converted 18th century Coach House is the ideal location for your wedding breakfast and evening celebrations.

There is a beautiful, intimate dining area, with original features, atmospheric lighting, sound and heating, perfect for speeches, toasts and the wedding breakfast. Then reveal a personalised bar, dance floor and relaxed seating areas where you can dance the night away.

We work with a selection of four catering companies at Pennard House allowing you to have a choice when it comes to deciding on the menu. All three pride themselves on using locally sourced fresh produce and aim to be as flexible as possible to ensure you have exactly what you want on your special day.

For your drinks, we can take the hassle away and arrange everything for you, or you are welcome to bring your own during the daytime. In the evening, we run a fully stocked cash bar.
