Testimonials from our couples...

"Thank you so much for everything you did for our wedding. From our first meeting, we felt like some of the pressure of the wedding planning was taken from us, as they helped us with some ideas and made the process really simple. On the day itself, everyone at Stanton Manor could not have been more professional or helpful. The food was incredible- every single guest has told us how much they loved the cheesecake! – and even the manner in which it was presented to us was like a well-choreographed routine. We cannot thank everyone enough."

Jen and James Wedding

"Big thank you to all the staff at Stanton Manor for making our wedding so fabulous. You all worked so hard on the preparation and on the actual day, we couldn't have been more pleased. It was so nice to stay all weekend, it made the celebration that much more special"
