Ceremony Information

Eastington Park is licensed for Civil Ceremonies and Civil Partnerships, giving couples the opportunity to say personal and precious promises to each other in one of the following beautiful locations:

The Morning Room

Ceremony Capacity up to 120 guests

The Ballroom

Ceremony Capacity up to 150 guests

The Garden

Ceremony Capacity up to 150 guests

The ceremony is conducted under the pergola

There is a charge of £550, inclusive of VAT if you decide to have a Civil Ceremony or Civil Partnership at Eastington Park. This charge covers the hire and setting up of the Ceremony Room, provision of a meeting room for the bride and groom to meet the registrars, individually, prior to the ceremony and supervision by the Duty Manager

There is a separate charge that is paid to the registrar directly. The registrar can be contacted on 01242 532455 or at www.gloucestershire.gov.uk/registration

If you live outside of Gloucestershire, please note that you also have to contact the Registrar's office in your own Borough to give notice of your intention to marry

We also welcome humanist ceremonies, naming ceremonies and renewal of vows

Civil Ceremony

A very simple ceremony with no readings, special wording or photographs can be as short as 15 minutes. Usually ceremonies take approximately 20 to 30 minutes.

Church Ceremony

Religious ceremonies can vary in length considerably and we recommend you discuss it with your Church. As a guide;

Church of England = 40 to 50 minutes

Catholic with Mass = 1 hour 30 minutes

Catholic without Mass = 45 minutes to 1 hour

Methodist and Baptist = 30 minutes to 45 minutes

You will also probably wish to have photos outside and possibly in your Church after the service. These usually take about 15 to 30 minutes but you will need to discuss this with your photographer.

Please allow time for your guests to get into cars or other transport and travel to Eastington Park. It is quite easy to get yourself from A to B, but getting yourself and 50 guests can take a little longer!

Reception Drinks

It is normal to allow around one and a half hours for your reception drinks. This will enable you to have your photographs taken and spend some time with your guests before the wedding breakfast.

Receiving Line

If you choose to have a receiving line, the time can vary dependent upon the number of guests but can take between 15 and 45 minutes.

Wedding Breakfast and speeches

Allow between 2 hours and 2 and a half hours for the wedding breakfast. The time for the cake cutting, coffee and speeches can vary dependent upon the number and length of speeches, but is typically between 45 minutes and 1 and a half hours long.

Room Turnaround

Allow approximately 1 hour to turn the ballroom from your Wedding Breakfast to an Evening Party Celebration Room. Although, this can vary depending on whether you have a band or DJ.
