WEDDINGS AT BARNSLEY HOUSE

BARNESLEY HOUSE was built in 1697 and having gained international acclaim as a place of remarkable beauty, the house and gardens provide the perfect backdrop for a traditional country wedding.

WEDDINGS AT BARNLSLEY HOUSE

At Barnsley House there are 18 individually designed bedrooms, The Potager Restaurant, a cinema and The Garden Spa. The hotel also owns The Village Pub which is across the road and has an additional 6 bedrooms.

Due to the small and intimate size of Barnsley House, the perfect wedding requires taking sole use of the hotel and its facilities for a minimum of one night. This means that all staff are available to take care of your every need – it's just like having your own country house party.

On any day the Barnsley House gardens are a lovely place to enjoy a champagne and canapé reception after the ceremony, otherwise the lounges and bar area of the hotel could be used for the drinks reception before the celebration breakfast.

Wedding vows and rings can be exchanged in The Potager Restaurant or outdoors in front of The Gothic Summerhouse, both can seat up to 100 guests. Alternatively, The Temple is perfect for more intimate ceremonies with up to 40 guests.

The bedrooms are all individual, with a character of their own. The interior style is elegant, with a definite sense of fun. If pampering is your thing, then look no further than Barnsley House bathrooms. This isn't just luxury, this is pure decadence... The suites are designed for one purpose alone-absolute comfort and enjoyment. Together with the bedrooms at The Village Pub we can accommodate up to 48 adults.

The gardens at Barnsley House are enchanting, one of England's finest and most famous. Not grand or forbidding, this is a place where you can truly relax, with charming walks, sunny terraces and knot gardens, beautifully ornate formal lawns, ancient meadows and ungoverned wildernesses.

The Garden Spa is the place to unwind and relax before your big day. It has an outdoor hydrotherapy pool, steam room, sauna, relaxation room and 5 rooms for treatments and massages, manicures and pedicures.

Put your feet up the night before your wedding in the 30 seat cinema, where you can collapse in the soft leather sofas and watch your favourite film with family and friends.

Only three roads and ninety minutes from London, Barnsley House is perfectly placed in the centre of the small and attractive Cotswold village of Barnsley, 4 miles from Cirencester.

We can cater for up to 70 people for a wedding breakfast in our restaurant or we can cater for up to 120 people in a marquee erected in the grounds at Barnsley House. The menu will be tailored to your specific requirements by our Head Chef, Francesco Volgo. Francesco's food at Barnsley House is modern European, with an Italian influence and is the stage for the Barnsley House home grown produce. There is much more emphasis placed on sound technique rather than just looks. These dishes are robust, simple and absolutely fresh.

The gardens offer endless idyllic photo opportunities, from the Frog Fountain to the Flower Temple.
