## WEDDINGS AT GORDON CASTLE

PHOTOGRAPHS

You and your guests will arrive at Gordon Castle in style through stunning and impressive gate houses, along the sweeping tree-lined driveway, to the manicured lawns and rare trees of the Castle grounds.

Greeted by friendly staff, and perhaps even a piper, the scene is set for your magical day.

Depending on the size of your wedding celebrations and your preferences, guests can be welcomed into the main house or into the stunning landscaped gardens to the rear of the Castle.

Both ensure a grand entrance and a simply perfect start to your special day.

## GORDON CASTLE

The main house at Gordon Castle is perfect for a small intimate wedding. The lower Octagonal Hall can accommodate up to 25 guests for your ceremony, whilst the upper Octagonal Hall provides a wonderful space for your wedding breakfast.

*Maximum capacity: 20*

## GORDON CASTLE GARDENS

Gordon Castle's spectacular landscaped gardens, rose garden and grounds are fully licensed for wedding ceremonies.

The main Tower Lawn is the most popular for larger wedding parties and this area can comfortably accommodate a large marquee for parties of up to 300 guests.

Should you wish to do something a little different, we are very happy to discuss your individual requirements.

*Maximum capacity: 300*

## GORDON CHAPEL

For those who wish to marry in church, Gordon Chapel, with its historic and celebrated stained glass windows, is adjacent to the castle grounds in Fochabers. A perfect day might be to have your wedding ceremony conducted at Gordon Chapel followed by your reception and wedding breakfast at Gordon Castle. The Minister will be delighted to welcome couples from near and far and we can put you in touch with them directly.

Depending on the number of guests and your personal requirements, we can accommodate small wedding parties of up to 36 within the Castle itself and up to 300 in a marquee set within the Castle grounds. Our in-house team is able to recommend a number of trusted suppliers to help set the scene and will work with you closely to ensure that your wedding breakfast is just perfect.

## THE OCTAGONAL HALL

Wedding breakfasts for smaller parties can be hosted within Gordon Castle itself. For your reception, drinks and canapés can be served either in the beautiful landscaped gardens, or in the Entrance Hall and Small Octagonal Hall on the ground floor. Guests are then invited up to the light and airy Octagonal Hall on the first floor for a magnificent wedding breakfast prepared by Gordon Castle's resident chef.

*Maximum capacity: 36*

## THE TOWER LAWN

For larger wedding parties, our recommended marquee specialists are able to create a bespoke area for you to host your guests under canvas on the Tower Lawn. Other areas of the gardens are also available and we will be happy to discuss your individual requirements and any ideas you might have when you visit.

*Maximum capacity: 300*

For wedding celebrations taking place within the Castle itself, catering can be looked after by Gordon Castle's excellent resident chef, who is happy to discuss your individual menu requirement and the seasonal options available to you.

Wherever possible, all ingredients are sourced from local suppliers or from the Estate.

Gordon Castle has been lovingly restored by the current owners to create a luxurious and comfortable home. It can be yours exclusively for the duration of your wedding celebrations and with a dedicated inhouse team on hand to cater for your every need, you can be sure you will enjoy a first class experience.

There are a number of accommodation options and we are happy to discuss your individual requirements.
